

COUNTY KILDARE CHAMBER

**SUSTAINABLE
KILDARE**

PROJECT SPONSORED BY INTEL

Climate Action Championship

Starting 15th February

You are invited to the **Sustainable Kildare Climate Action Championship**

Join this fun championship with your work colleagues – the more participants we are, the more fun it will be! Compete against other businesses around Kildare over the 3 week campaign

Together our actions can give big positive environmental impacts - we can show that action creates change!

How: Register climate friendly activities with simple clicks every day you have done them on the Ducky app- and save CO₂e for your team!

Winning criteria: Save the most CO₂e on average per team and achieve 50% participation rate for your team.

- Remember that you can log days back in time, if you for example have forgotten to register activities over the weekend.
- You can register activities both via PC and mobile
- [Here is a video](#) (approx 1 min) that explain the fundamentals

Follow the competition on live screens and the web-app for statistics! :)

Please talk with your team leader or company contact to receive login information!
