

Change the Future

Leaving a gift in your Will
to Global Action Plan

Global Action Plan Legacy Policy Statement

Leave a Legacy with Global Action Plan

At Global Action Plan, we empower people to become environmental change-makers, equipping communities, schools, and businesses with the skills to tackle global crises. Together, we can all become better stewards of the Earth and good ancestors for future generations.

Make a Lasting Impact

By including a gift to Global Action Plan in your will,
you can continue your commitment to sustainability
and make a lasting difference
for the planet and
the communities we serve.

How your gift helps

Your legacy can support environmental education and social inclusion programmes across Ireland, ensuring more people have the tools to protect our planet.

After providing for loved ones, you can choose to leave a percentage of your estate or a fixed amount to Global Action Plan. Your generosity enables us to continue our work.

Everyone can make a difference.

In a world where complex global crises threaten our peace and prosperity, as well as many species and habitats, you can help to ensure a future in which people make better choices.

A world where people protect their fellow human beings, and the planet on which we all depend.

A Gift in your Will is one of the most significant and lasting contributions you can make.

Your decision to include our charity in your Will, alongside your family, can have a profound impact. By gifting a legacy to Global Action Plan, you are providing the opportunity for children and adults all over Ireland to access environmental education, and take part in our unique social inclusion programmes.

Making a Will

Making a will is not as hard as it may seem. The Citizens Information service provides helpful information on how to make a Will, for instance.

If you want to include a gift to Global Action Plan, please make sure to ensure the wording suggested below. You can also make an amendment to an existing Will to leave a gift to Global Action Plan. This is done via a Codicil, an amendment document, to your existing Will.

If your circumstances are more complicated, it is generally recommended to consult a solicitor to advise you.

What you might want to know:

It is important to choose the right wording for your Will. Here are two simple ways that you can put a charitable gift in your Will.

1. You can name the residue of your Estate in whole or as a percentage. The residue is what remains after taxes, administrative expenses and your heirs have received their specific gifts or proportion. This means that as your circumstances change, your Will does not have to be altered, as the proportion remains the same.

Sample wording: “I bequeath the residue of my Estate, or _____% of the residue of my Estate, to Global Action Plan CLG.”

2. Another way is to name a specific amount.

Sample wording: “I give €_____ to support the work of Global Action Plan CLG.”

NB: Please make sure to use our official name:
