Corporate Volunteering

Grow Together with Purpose

Discover the transformative power of team-based volunteering with Global Action Plan's GLAS community gardens.

Our gardens in Dublin, and our partner sites in Waterford and Cork, offer a unique opportunity for your team to engage in meaningful activities that benefit both your staff and the community.

Volunteer, Grow and Support Social Inclusion

Our GLAS social inclusion and environmental education programme depends on donations to continue. By joining us, your team can help keep the gardens safe and accessible for people of all abilities and ages, and your donation helps cover the costs of running this unique programme, with proven benefits for urban communities.

Our sessions are tailored for groups of 5 to 25 participants and include all necessary equipment, expert guidance and refreshments to ensure a rewarding experience for all involved.

Build your sustainability culture in a fun way

Climate Competition support you in creating an inviting and empowering environment for climate action.

With a range of topics to choose from, our digital competitions are designed to build awareness, encourage teamwork and integrate sustainability into your company's culture at scale. Taking part in the Challenges demonstrates real, measurable CO₂ savings tracked in real time, and offers a platform to connect your employees on your ESG journey.

Donate and Support

Support Sustainable Change and Make an Impact

By becoming a Sponsor of Global Action Plan, you can align your business with a purpose driven charity that empowers communities to create a sustainable future.

Through your support, you will help us continue our work with individuals, communities, and particularly those often left behind, to build knowledge, resilience, and sustainable habits.

GAP Corporate Sponsorship Drive lasting impact

As a sponsor, your company will directly contribute to GAP's work, promoting local, grassroots solutions to global challenges.

Together, we can equip communities all over Ireland with the knowledge and skills to create real, lasting change.

Join a movement for change

Join an extraordinary group of like minded organisations and help us inspire thousands across Ireland to take action.

Your support will not only help GAP drive impactful environmental projects but also strengthen your corporate social responsibility efforts, showcasing your commitment to a greener, more inclusive future.
