

UACHTARÁN NA hÉIREANN

PRESIDENT OF IRELAND

Cuireann sé fíor-áthas orm, mar Phátrún Phlean Gníomhaíochta Domhanda Éireann, comhghairdeas a dhéanamh libhse ar fad agus comóradh 25 bliana bhur n-ionchorpraithe á cheiliúradh agaibh inniu.

For the past 25 years, Global Action Plan Ireland has worked alongside communities, schools, businesses and local authorities in empowering people to take practical action for a more sustainable future. Their work has demonstrated how practical, community-based action can help people reduce their environmental impact while strengthening the places in which they live.

This anniversary provides an opportunity to recognise the vision, dedication and the contribution made by the board, staff, partners, volunteers and supporters whose efforts have helped to make sustainable living more accessible across the country.

As we face the challenges of climate change and biodiversity loss, Global Action Plan Ireland serves as a reminder of the strength of collective action and the hope that is found when people come together to build a more sustainable future.

Tréaslaím ó chroí libh ar an ócáid speisialta seo agus guím gach rath oraibh le bhur saothar ríthábhachtach feasta agus sibh ag tabhairt faoi Éire níos inbhuanaithe, níos incuimsí agus níos seasmhaí a chruthú.

Go mbaine sibh taitheamh as an gceiliúradh.

Go mba fada buan sibh,

Le gach dea-ghuí,

Catherine Connolly
Uachtarán na hÉireann
President of Ireland
